

PC-101 Personal Chef Basics SAMPLE EXAM PAGES

The following screen shots illustrate the online examination pages you can expect, plus will point out some test site features.

Screen #1 shows a testing page that has no answers selected.
Screen #2 shows how the page will look with answers selected.

Each page will show the time remaining near the top of the page.

Questions are numbered to show you which question you are on, plus the total number of questions in the examination. (actual examinations contain 40 questions)

The questions presented in this sample are representative of the actual questions and format. All answers selected are accurate also.

Culinary Business Academy

Time left: 9 mins 42 secs

Time left: 8 mins 32 secs

Question 3 of 5

The in-home interview should last no more than 30 minutes.

a) True

b) False

Question 4 of 5

The wisest course of action if food contamination is suspected is to:

a) discard the product.

b) rinse the food in cool water for at least 5 minutes.

c) cut the food into small pieces.

d) quickly freeze the food.

Screen #3

Screen #3 shows two methods to go to earlier pages. Using the “Previous Page” button takes you back one step. You may also select the “view previously answered questions”.

Screen #4 is an example of the questions available by selecting the “view previously answered questions” button.

Screen #5

Screen #5 represents the final page of the examination. When you are satisfied with your answers, select the “Finish” button. Results will be displayed immediately.

You must answer each question in order to select “Finish”.

If you have not answered each question within the allotted time period, the examination will close automatically and display your grade.

To begin an actual examination please return to the main testing page and select the exam desired. Please locate your ACCESS CODE prior to opening an exam.

Your ACCESS CODE was provided to you at the time of your system purchase.

You will use the same ACCESS CODE for each exam.
